TOTAL ACIDITY: 5,3 g/l. Tátrica

HARVEST DATE: : 3rd and 4rd week of September

BOTTLING DATE: April 2022

VINIFICATION: Fermented in stainless steel, temperature-controlled vats.
Fermentation/maceration 17 days.

TASTING NOTES

Colour:

Intense purple colour, opaque. Violet tones with bluish glints. Dense and tinted tears.

Nose:

Very intense with predominant aromas of black fruits, blackberry, blueberry, blue flowers (violets, lilacs), inkpot. Mineral and earthy character.

Palate:

Smooth and silky journey in the mouth but showing great backbone thanks to its fine, ripe, grape tannins, but gives off no aggressiveness in spite of this. Acidity very well balanced with the alcohol, with no characteristic overpowering another.

Pairing:

Ideal with rice and pasta. A perfect match for grilled or sauced white meats, such as chicken and duck.
